******This program is available for our clients that are looking for ABA services within a natural, loosely structured setting; however, there is a separate fee to join this club that is separate from insurance based services. Second Nature currently takes insurance plans for our clients with an Autism Spectrum Disorder Diagnosis. If you are seeking insurance reimbursement, please fill out our Insurance Reimbursement Form found on our registration page. In order to verify benefits with your insurance company, we will need that along with a copy of the front and back of your insurance card, and a Doctor's note stating your child's diagnosis and the need for Social Skills Instruction using the ABA model. This is to receive our ABA services.***

We do welcome outside ABA providers to our social clubs; however, Second Nature is not responsible for your child's behavior during this time and we solely rely on your ABA therapist to provide services and maintain the safety of your children. This club is designed as a social opportunity for your child to feel safe to practice the social thinking concepts they have learned in a safe and motivating environment.
